

Hello Faculty,

CCFF has three mediation sessions scheduled with the district. Your CCFF Negotiation Team will meet with the District and our Mediator on April 12 and 19 via ZOOM, and then April 29, 2022, in person.

Ultimately, our goal is to close the contract during mediation, but we can only do that if we receive equity focused economic proposals from the district. To date, the district has NOT proposed ANY economic components that have the well-being of faculty in mind. The district is **not interested in COLA+** for faculty, nor are they interested in improved compensation for **large-classes** or **part-time faculty's** hourly rate.

The only way we can get this contract closed and get the district to accept our equity minded economic proposal is with **YOUR** help!

We need **YOU** to tell the Board of Trustees and Dr. Fierro that our demands are not unreasonable. In fact, they are reasonable, equity focused, and justified. And most importantly **THE DISTRICT CAN AFFORD IT!**

Make your voice **HEARD!**

[Sign the action network petition.](#) Your response will be shared with the Board of Trustees and Dr. Fierro. Share the link far and wide. The district needs to see that the CCFF economic proposal is supported by faculty, students, staff, and the community. To date, we have gathered almost 2,000 signatures, let's keep up the momentum.

[Attend the 4/20/22 Informational Picket.](#) Show the Trustees and the Community what we are fighting for and that it is UNACCEPTABLE for the Trustees to receive a 5% raise every academic year while we must **FIGHT TOOTH AND NAIL for COLA+** every year.

For more information on the articles going to impasse, including a comparison between the final proposals from both CCFF and the District please review the [Impasse Townhall PowerPoint](#).

If you have any questions, please don't hesitate to reach out.
